Study in Bavaria

Study in Bavaria - Degree Courses in English

Bavarian universities offer a number of degree courses that are exclusively taught in English. Many of these programmes have an international focus and are suitable for candidates with proficient English language skills.

For further information on individual degree courses, please contact the relevant universities directly.

You may also find useful information on living and studying in Bavaria at **www.study-in-bavaria.de**.

More information on programmes of the Elite Network of Bavaria for exceptionally talented students can be found at **www.elitenetzwerk.bayern.de/en/home**.

In addition to the courses listed below, there are a number of PhD programmes conducted entirely in English. Just visit **www.research-in-bavaria.de**!

Footnotes

[1] These courses are part of the "Elite Network of Bavaria", consisting of Elite Graduate Programmes and International Doctorate Programmes for highly qualified students and academics (see www.elitenetzwerk.bayern.de/en/home). These are usually joint programmes offered by more than one Bavarian university. In this document, the first university listed is the coordinating institution.

[2] Advanced Training Courses require a university degree and relevant professional experience. They are designed as full-time or part-time programmes. For detailed information, please contact the university in question.

[3] For this continuing further education degree course a tuition fee is payable. For detailed information, please contact the university in question.

[4] International Programmes, offered in cooperation with other universities worldwide, i.e. Joint Degree Programmes or Double Degree Programmes. For detailed information, please contact the respective university.
