Bavarian State Ministry of
Science and the Arts

Study in Bavaria Summer and Winter School Programmes 2019 and Preview 2020

The Bavarian universities offer many different summer/winter school programmes, a lot of which are taught in English! These programmes usually take place in the months between June and September (summer schools) or between December and February (winter schools) during the semester break and allow you to broaden your knowledge in a specific area of study while simultaneously getting to know the Bavarian culture. In this brochure you will find a list of all programmes by the state universities in 2019. For further information please contact the respective university.

You may also find useful information on living and studying in Bavaria at www.study-in-bavaria.de.

More information on programmes of the Elite Network of Bavaria for exceptionally talented students and researchers can be found at www.elitenetzwerk.bayern.de.

Science, Technology, Engineering and Mathematics (STEM)
